

Give each of these criteria a score out of three. How well does the plan explain how...

...energy will be used and conserved	/3
...water will be used and conserved	/3
...the overall appearance of the building makes it sustainable	/3
...the way tourists behave makes the resort sustainable	/3
...the activities on offer are sustainable	/3
...waste will be disposed of sustainably	/3
...the employment strategy will be sustainable	/3
...food will be sourced in a sustainable way	/3
...local cultures will be respected	/3
